

# 2020 ANNUAL REPORT

Art matters—especially in times of enormous change or crisis—providing an expressive outlet and reinforcing our connection to humankind. While 2020 was a year of challenges for many, in our valley and around the globe, it was a year of transformation and opportunity here at the Art Base.

When the pandemic struck in March, the Art Base was in a leadership transition. Not only did the team and board hold fast, we completely reinvented our programs and exhibitions so that a beat was not missed in the delivery of artistic offerings to our community. And in the midst of it all? The Art Base purchased a permanent home!

It was a singular year. This Annual Report tells the story of 2020 in numbers.

"When classes are over, I have to drag my girls out the door ... they never want to leave. The youth programs at the Art Base are the best thing to happen in Basalt since the library, such a gem in our small town. We are so very grateful."
